A woman was kicked out of a Lee's Summit hospital because her service dog is a pit bull

LEE'S SUMMIT, MO. -- A Raytown woman was outraged after she said a Lee's Summit hospital refused her access because of her service dog. Corienna Ball has a disorder known as agoraphobia or the fear of being in public, but a month ago she received a service dog she said has made her life simpler. Her service dog is a pit bull.
