MEDFORD, Mass. -- A 3-year-old girl is recovering after being mauled by her grandparents' dog this weekend in

Medford.

Police say the girl, named Katie, was bitten in the face just before 10 p.m. on Saturday by her grandparent's 8-year-old golden retriever.

The girl was taken to Children's Hospital in Boston.

She was visiting from California for the Thanksgiving holiday.

Police say there's never been any problems with the dog before. The dog was taken by police, and will be put to sleep. (AP)
