Dog Attacks 2 Milwaukee Children

POSTED: 10:28 am CDT October 27, 2005

Two Milwaukee children are recovering at home after being attacked by a German shepherd mix.

It happened Wednesday on the city's north side between Florist and Thurston on North 42nd Street.

The dog attacked 7-year-old Renard Abrams who was with his sister.

Moments later, the dog attacked a 13-year-old girl and also bit her multiple times.

The children were walking down the sidewalk and say the dog was unleashed.

The children have been released from the hospital and will have to have follow ups to be checked for rabies and other infections.

Renard said he will never forget the incident...

"He started biting harder on him, and then, the dog started running over there and started biting the other girl," the victim's sister, Ma'Lekah Abrams, said

The Milwaukee Area Domestic Animal Control seized the dog.

It will be quarantined for several days until officials can determine whether it's disease free.
