## Dog in a vicious attack on girl, 2

06 February 2006

A VICIOUS dog pounced on a toddler at a Dagenham supermarket. But its heartless owners fled before she could be treated.

Young Ellie Lloyd was attacked by a Jack Russell while she was shopping with her grandmother in Green Lane, Dagenham.

It left the two-year-old covered in blood with two cuts and a puncture wound to her face.

Doctors also feared she had fractured her nose, but she had a lucky escape.

However, the owners ran off in an attempt to protect themselves and their dog. All they said to her frantic grandmother, Andrea Downes, was 'she shouldn't have gone near the dog'.
