Akita Dog Attacks Owner In Bourne Man Suffered Severe Arm Injury

(CBS4) BOSTON A Bourne man was reportedly transported to Falmouth Hospital after being attacked on the arm by his Akita dog that also attacked responding officers and was put down at the scene Thursday night.

Fire officials said the victim has a sever arm injury. Police on scene called it in to Fire/EMS as a possible arm amputation case. The incident happened at a business on Millennium Drive in the parking lot off of Route 28A on the Bourne-Falmouth line.

Police on scene told fire officials that the man only had the Akita dog for a few days.
