

Dog injures girl in Brandon

Brandon, Florida - Hillsborough County Sheriff's deputies say a 9-year-old girl is being treated for a severe dog bite

. It happened this afternoon at a home in Brandon on Southside Drive and Shamrock Road. Investigators say the dog bit the girl's face.

The incident happened at 1101 Southside Drive. Investigators say 9-year-old Angela Davis was visiting the home of Shawny Duncan, playing with other children in the backyard.

Sheriff's investigators say the children were playing with Duncan's two mixed-breed dogs when the animals knocked Davis to the ground and one of them attacked.

Davis was taken to Tampa General Hospital for treatment.

Duncan was also taken to the hospital, deputies say she is expecting and the stress of the incident caused her to develop complications with her pregnancy.

The dogs were confiscated by Hillsborough Animal Services.
