## Family Dog Attacks Boy In Erie

(CBS) *ERIE, Colo.* A 9-year-old boy is recovering in Erie after his own dog attacked him.

The boy was hospitalized Monday with injuries to his face.

The boy's mother called for help, saying the family dog attacked her son.

When Erie police went to the home, located off Briggs Street, they said the Labrador retriever was aggressive. They shot and killed the dog.

The boy is expected to survive.
