POLICE in Coventry are appealing for help in tracing an Oriental couple with a husky-type dog which attacked a man in a city alleyway.

Officers at Little Park Street station say the animal bit the 23-year-old as he walked past the couple in the alleyway behind Knight Avenue, Lower Stoke.

The victim told police the dog jumped up and bit his chest, leaving visible bite marks.

The attack took place some time between 4pm and 4.30pm on November 24.

Officers have only just released details after initial inquiries drew a blank.
