## Briefing, March 14

**March 14, 2007**

**DOG ATTACKS BABY** A couple's pet malamute attacked their 11-month-old baby Tuesday afternoon.

Boulder County sheriff's Deputy Clay Leak said that by the time he reached the house, on the outskirts of Nederland, someone in the family had separated the dog from the baby.

"The child should be fine," Leak said.

The baby was taken by ambulance to Children's Hospital in Denver.

The dog will be confined at the family's house for 10 days. Afterward, they can decide what to do with the dog, Leak said.
