The dogs have since been quarantined, their owner says they've never been a threat before.

Dorothy Chevalier is in fair condition at UK hospital, after she was attacked by three dogs just outside her Pulaski County home.

Her husband says the dogs inflicted severe injuries to both his wife's arms and legs.

Jim Chevalier says his wife Dorothy was simply getting the mail Monday afternoon when she was attacked.

Police say three boxers attacked the woman, who suffered serious injuries.

The dogs have since been quarantined at the animal control shelter in Somerset.
