Donovan Bowman of Detroit was attacked by two French Mastiffs.

DETROIT -- A 12-year-old boy will be laid up for the rest of summer vacation after getting attacked by two neighborhood dogs.

Donovan Bowman was mauled Saturday afternoon near his home in the 1700 block of Van Dyke.

He had to get dozens of stitches on his legs and back. He will also have to undergo rabies shots.

Akunna Olumba, who owns the dogs, said the attack was not malicious.

"When people see dogs they assume it's a mauling... That's not what I saw," said Olumba.

According to Olumba, the dogs are currently in quarantine and will be placed on leashes when they are released.
