Dog kills 2-month-old left alone in swing

TULSA, Okla. -- Police say a puppy has attacked and killed a 2-month-old boy who was left unattended in a swing.

Officer Jason Willingham said Monday the baby was mauled by the Labrador at the boy's home and died at the scene. He says the dog will most likely be destroyed.

Willingham says the baby's mother and grandmother were home, but nobody was in the room at the time. Police are unsure why the dog attacked.
