Dog Attack [Watch](#)

Reported by: WMBD/WYZZ TV - Sarah Barwacz Wednesday, Jul 16, 2008 @06:09pm CST

WMBD/WYZZ TV – PEORIA -- A local woman says her dog was mauled by two greyhounds on the Rock Island Trail. The one-and-a-half year old cocker spaniel was bitten several times. The owner of the puppy wants to remain anonymous, but says she filed a complaint with animal control, and the two greyhounds have now been deemed dangerous. Greyhounds are used for racing and trained to chase small animals. But Peoria's animal control says they see all kinds of dog attacks, and the numbers of attacks increase during warmer months.
