Baby in fair condition after dog bite to face

PATASKALA -- An 8-month-old boy is in fair condition at Nationwide Children's Hospital after being bitten in the face by a family dog.

Robert Wilson was transported after the incident was reported at 9:30 a.m. at 198 Vine St. The dog, a mutt, was turned over to animal control and might have been euthanized, Pataskala police Officer Lisa Powell said.

The boy was on the floor when he was bitten around the eye and ear. It's unclear whether he did anything to the dog before being bitten, Powell said.
