

Condition of dog attack victim improves

Posted Mon May 12, 2008 9:17am AEST

There has been an improvement in the condition of a boy mauled by a dog in Melbourne's west yesterday. • [Map: Melton 3337](#)

The three year old child, was attacked by the family dog at a home in Melton.

He suffered serious bite wounds to his upper body.

He underwent surgery in the Royal Children's Hospital overnight, and is now in a stable condition.
