MIAMI GARDENS, FL-- A South Florida postal worker is recovering after two dogs attacked her.

It happened as she delivered mail in Miami Gardens.

The animals, a lab and boxer, jumped a fence while the carrier delivered mail on her normal route.

She sustained puncture wounds to her legs and right arm.

The animals are being quarantined at home. Then they will need to be examined by a vet and the information sent to animal control officials.

The owner of the dogs was not home at the time of the attack. He faces a \$515 fine.
