3-Week-Old Baby Mauled To Death By Dog Siberian Husky Drags Infant Girl Into Hallway, Kills Her

BOURBONNAIS, Ill. (STNG) — A 3-week-old baby was dragged from a bed Monday afternoon by her family's Siberian Husky into a hallway of their Bourbonnais home and mauled to death by the dog.

The child, Olivia Rozek, was lying on a bed in the master bedroom of the home at 1614 Sun Ridge Drive, in the Sunridge subdivision in Bourbonnais, when she was taken from the bed by the family dog and dragged into a nearby hallway.

The child's mother, hearing her daughter's cries, discovered the baby in the dog's grip, a release from Bourbonnais police said. Police got a 911 call at 5:45 p.m. reporting the attack, the release said.

Olivia was immediately taken to a Kankakee hospital, then airlifted to Loyola University Medical Center in Maywood, where she was pronounced dead at 11:55 p.m. Monday, according to police and the Cook County Medical Examiner's office.

Olivia had suffered multiple bite injuries to the head, the release said. The dog, a Siberian Husky, was removed from the home without incident by Kankakee County Animal Control officers. It remained impounded Tuesday at animal control.
