The Animal Control Unit of the Sioux Falls Police Department is looking for information about a dog that bit someone about 5:30 p.m. Thursday at Sertoma Park. The victim talked with the dog owner but did not get his name, according to a department statement.

The owner was described as a white male about 6 feet tall, 28 to 30 years old with short, dark hair. He was wearing a dark blue or black jogging suit. His dog was described as about two feet tall with black, curly hair.

Police need to verify the rabies vaccination information for the dog.
