Burlington - A 48-year-old Burlington resident was transported to Lahey Clinic Tuesday, May 12, after being bitten by one of her dogs.

Burlington police and fire units responded to a 911 call reporting the attack and were met by the woman outside the home at 10 Violet Road.

According to a release issued by Burlington Police, the woman was bleeding from the right leg and foot. She told officers two dogs were locked in a second floor bedroom. One of the two dogs was severely injured.

According to Chief Fran Hart, Lt. Walter Bevis, Officers Kevin Rogers and Robert Reyes, and Animal Control Officer Gerry Mills responded to 911 call.

Mills removed the more aggressive of the two animals – a Labrador mix and German shepherd mix – before he was able to tend to the severely injured dog.

Burlington Fire Engine 1 and an ambulance also responded to the scene. Paramedics provided medical attention for the victim before transporting her to Lahey Clinic with what appeared to be non-life-threatening injuries.

No further information was available at press time.
