Pet owner sought after dog bites boy at Kolapore

Posted 2 days ago

A dog is being held under veterinary quarantine after a nine-year-old boy attending the a day camp in the Kolapore Uplands was bitten, Tuesday.

The Blue Mountains Animal Control tracked down the owners of two dogs that were found running at-large in the area; it took a couple of days to track down the owners

The boy was treated by his family doctor.

The dog that bit the camper is a male Border Collie/Labrador retriever cross, black with a white chest. It wasn't wearing a collar. The other dog is a chocolate- coloured Labrador Retriever and was wearing a choke-chain collar.

Both dogs were quickly located by The Blue Mountains Animal Control and were taken to a local veterinary office.
