# Dog bites off part of five-year-old boy's nose

### ABC13 Eyewitness News

(10/12/04 - HOUSTON) — There's no word on whether doctors were able to re-attach part of a five-year-old's nose after it was bitten off by a dalmation.

The incident happened around 7pm Monday night in the Atascosita area of northeast Harris County. Investigators say the child may have reached over a four-foot fence into a neighbor's yard, where the dog was.

The dog was up to date on his shots, but animal control is still investigating the case. The boy is in good condition.
