Pit Bull Mothers New Kittens

Owner Says Dog Sheltering Little Cats

BOSTON -- A local pit bull's motherly behavior is belying the fierce stereotype that often characterizes her breed.

A dog named Ramona in Stoughton, Mass., has become the mom for three orphaned kittens.

Ramona's owner is fostering the kittens until they can be placed for adoption.

She said since they arrived, Ramona takes care of them like they were her own.

She cleans them, watches over them and showers them with affection.
